Re: Approval for Roth Global Plastics, Inc Polyethylene Septic Tanks 1060, 1250,
 and 1500 Gallons

Dear Mr. Leavitt:

The Southern Nevada Health District (SNHD) is pleased to approve the above
 referenced septic tanks based on the design and referenced drawings submitted. The
 septic tanks will be placed on the SNHD Approved Septic Tank Manufacturers List.
 Please feel free to begin distributing your product in Clark County. The statements
 made in this letter may not be used for any commercial purpose.

Sincerely,

ENVIRONMENTAL HEALTH DIVISION
